

Shanghai American School Association

(the only alumni association of the Shanghai American School)

1912 - 1950

Membership Application

1980 -

Keep up with SAS friends and with activities at SAS. The Shanghai American School Association welcomes all persons who have attended SAS and all who have served or are serving as faculty or staff members of SAS. It also welcomes all widowed spouses and children of those persons. The Association publishes a newsletter and sponsors reunions. The newsletter appears three times a year, and includes news about SAS and former students. The reunions occur irregularly, usually every two or three years, in communities across the United States, but commonly in California and the Washington, D.C., area.

The annual membership fee if you have a U.S. address is \$13, overseas \$15. The fee is waived for the first year if you are currently a college student.

To receive issues of the newsletter and notices of reunions, please complete the form below and mail it to:
