Founded in 1912, Shanghai American School (SAS) is the oldest international school in China. It is a private, not-for-profit, coeducational, nondenominational school offering a comprehensive college preparatory experience to a wide international population. Today, our mission-driven school brings innovative pedagogy to distinct campuses in Pudong and Puxi, enrolling almost 2800 students PK-12. Nearly all students who attend SAS hold foreign passports, and come from a wide variety of previous school environments. To accommodate and prepare a broad range of students, we offer core college preparatory curriculum through both the Advanced Placement and International Baccalaureate programs, including AP Capstone and IB Diplomas.

Shanghai, China’s largest city with a population over 24 million, provides a rich context for our students’ experience. A major global financial center, one of the world’s busiest ports, and a hub for industry, technology, entrepreneurship, and education, Shanghai is also home to vibrant art and culture scenes, world class architecture and progressive urban planning. Shanghai’s creative energy is on display in its museums, food and music scenes, and constant self-reinvention. Through formal and informal interactions with their hometown, our students’ worldviews are impacted by life in a city on the leading edge.
