MISSION, PHILOSOPHY + POLICIES

The College Counseling Offices at Shanghai American School empower each student by providing comprehensive and individualized university counseling to support varied and flexible pathways. We partner with school counselors, faculty and parents to create a visible framework for success and healthy transition into life after SAS.

Our program is built on the premise that a process of informed decision making grounded in personal values, self-reflection, and autonomous expression is an essential capstone of the senior year. Therefore, SAS limits the number of colleges/university systems students may apply to.

AP/IB classes and the IB diploma are open to all students.

SAS advises students to take a maximum of 3 IB HL or 3 AP courses in grades 11 and 12.

SAS reports disciplinary action in the case of suspensions or separations from school.

STATEMENT ON COVID-19 FOR SPRING AND FALL 2020

SAS moved to distance learning on February 3. Most of the semester took place asynchronously, and many of our students and faculty remained outside China for months. Standardized testing was suspended from February until August. All students had the option to report a Pass/Fail statement of credit earned for Spring 2020; see page two of transcripts. In May, on-campus learning resumed for students in Shanghai and distance learning continued for students not yet back in China. The fall semester will end in January, and grades will be available in early February. Counselor letters discuss individual circumstances.

*OUR MISSION*

Shanghai American School inspires in all students:
A lifelong passion for learning
A commitment to act with integrity and compassion
The courage to live their dreams

*SAS Pudong presents students with outstanding facilities and invested mentorship outside the classroom. SAS students oversee nearly 100 different clubs, organizations, and leadership committees. SAS is a founding member of the Asia Pacific Athletic Conference (APAC), fielding strong athletic, dance, forensics, theater, and instrumental ensembles. Additionally, our students host and travel to perform as part of the Association of Music in International Schools (AMIS) as well as the International Schools Theatre Association (ISTA).*

*We support our rigorous academic program with state-of-the-art facilities that include maker spaces, robotics and digital design centers, science labs, dance studios, recording studios, music and art rooms, playing fields, an outdoor track, a performing arts center, black box theaters, and an aquatic center. Our combined libraries contain the largest English-language collection of books in China.*

*Shanghai American School’s Pudong campus is a member of Global Online Academy (GOA), a consortium of leading independent schools from around the world that fosters new, modern ways for students to learn and teachers to teach. GOA teachers and students share their voice on a global stage, enhancing learning and enabling the pursuit of individual passions. Courses are marked with an asterisk on the student’s transcript.*

**Virtual High School**

Students in grades 11 and 12 may request to take an online course through the Virtual High School for SAS credit. Courses are marked with an asterisk on the student’s transcript.
